**Corporate Express Launches 2006 Furniture Catalogue**

**Birmingham, England – 19 July 2006** – Corporate Express Ltd., a Buhrmann company (AEX:BUHR and NYSE: BUH), one of the world’s largest business-to-business suppliers of essential office, facilities and computer products and services is pleased to announce the launch of its new Furniture Catalogue.

Corporate Express is one of the UK’s leading furniture suppliers, providing expert furniture services and high quality products from world-class furniture manufacturers. With coverage throughout the UK, local experts and a commitment to customer service, Corporate Express is a comprehensive resource for all business interior needs.

The 2006 Corporate Express Furniture Catalogue features a complete range of furniture essentials, from desking, seating and storage to boardroom furnishings and executive veneer products. The Catalogue has been designed so that customers can see, at a glance, a clear image and description of the products they may be considering with a wide pricing & aesthetic offering from basic to executive.

“The launch of this catalogue reconfirms our position as one of the leading Business Interiors suppliers in the UK,” said Brian Macaluso, Managing Director, of Corporate Express, UK. “Our team of industry specialists supply businesses with the products they need, when and where they want them; whether it is a single chair or a complete office solution.”

The catalogue covers:

- A number of tiers of desking are available in a variety of styles and finishes to suit every need.
- A storage solution available for every office environment – from shelves and filing cabinets to desk pedestals and tambour units.
- A selection of tables available including folding, static, demountable or stacking tables in a range of shapes, sizes and colours.
- A complete range of screens to maximise office space with matching desk or adjustable aluminum screens, all of which have been designed with functionality and aesthetics in mind.
- A variety of seating to ensure employee and guest comfort by choosing the most appropriate type of seating solution provided.

All of the products featured in the new catalogue are available for delivery and installation within ten working days.
