**Corporate Express Awarded Three-Year Contract
With DSG international**

Birmingham, England – 28 March 2006 – Corporate Express Ltd. UK, a Buhrmann company (AEX:BUHR and NYSE: BUH), one of the world’s largest business-to-business suppliers of essential office, facilities and computer products and services, today announced it had signed a three year contract for Stationery & Consumables with DSG international plc., the leading European specialist retailer of consumer electronics.

DSGi, trading as Dixons, Currys, PC World, The Link and Mastercare in the UK and Ireland, began a rigorous process in July to reduce supply chain costs. The Non-Merchandise Purchasing Department of DSGi evaluated its suppliers and processes, and through a Request for Proposal (RFP) process selected Corporate Express to provide DSGi with all its office products, operational print, carrier bags and facility supplies.

“We are pleased to have selected Corporate Express as our supplier of choice for our Stationery & Consumables,” said Steve Jones; Non-Merchandise Purchasing Director for DSGi. “The rigorous demand and innovative style of DSGi requires a level of competence, capability and expertise that we are confident Corporate Express can provide.”

“We are excited about working with industry-leading retailers such as DSGi,” said Brian Macaluso, Managing Director of Corporate Express UK. “Corporate Express is committed to be the single source supplier for DSGi’s consumables, and we look forward to a successful partnership.”

The contract is now rolling out to DSGi’s 1,100+ stores, Distribution, Service and Retail Support Centres in the UK and Ireland.
